details and that the majority of the units of the 19th Gds Mecz Div from the Nachrichten Kaserne, Flak Kaserne and Herrenkrug-Anger Kaserne apparently transferred to Letzling Heath, and units of the 3d Gds AAA Div to Mustrow, until 24 April.

The 36th Pon Pridge Regt of the GOFG from the Seeckt
Kaserne departed for summer training east of Rosslau at the end of March.
It appears that elements of the 105th Sig Regt of the Third Shock Army and motor transport units, or units of the 19th Gds Mecz Div from the Hindenburg Kaserne also were transferred. So far, no ration supply depot and pig stable have been reported in the Hindenburg Kaserne.
